SUBJECT: NECS Training Moves to CenturyLink December 11, 2013

With the loss of VSAT satellite network connectivity on December 11, 2013, effective immediately IDL staff trainings will be conducted online through CenturyLink.

Training schedules will continue to be available on the DSHS WIC Training website at <http://www.dshs.state.tx.us/wichd/tng/idl-cal-dates.shtm>. Training schedules will be posted on the DSHS WIC Training website two to three months in advance. All schedule changes or cancellations will be posted online two weeks in advance when possible. We advise staff to check the WIC training website in advance for scheduling updates. If a last-minute (less than two weeks) cancellation is necessary, Local Agency staff will be notified via email.
